Land 60 Le Monastère

Building land of 4786m² in the town of Le Monastère, sunny with an unobstructed view of RODEZ. Please note that the land can be developed on the top, but for the lower half it is steeply sloping requiring major earthworks. Notice to all those who would like to divide this land, this is not possible given the configuration of it. This land would be perfect for the construction of a house with a panoramic view and large space. Great opportunity to seize! More information on 0760579065
